The fee for 2020/21 is set at £210 for annual Allianz engineering inspection, insurance (of equipment and surfacing) and monthly inspections.

Quote from ROSPA

The cost of an outdoor annual inspection for 2020/2021 is £232 plus VAT.

For your information, we annually visit Devon every March and inspect outdoor play areas at a special discounted rate.

We charge £68.50 plus VAT per site to inspect up to 5 items of play equipment on the play area. There is an extra fee of £3.50 plus VAT to inspect each play item over five.

By being on our 'Automatic Schedule' your play area(s) will automatically be inspected every year at the reduced rate when we are in your area.

You don't need to place a new order each year and you will receive notification of the inspection prior to it taking place.

*Please let me know if this is something you're interested in for **March 2021** onwards.*

Please note we can no longer take orders for the reduced rate inspection.
