## **Supporting Devon Residents into Homes of their Own**

Very happy to report that Cabinet are recommending support of the motion and when agreed (at tomorrow's full Council meeting) will lobby our local MPs to strengthen the criteria for properties becoming liable for business rates, instead of council tax. This would avoid the huge amounts of business grants paid out over covid in Devon.

## **COP 26**

A motion has gone to Cabinet asking Council to support the following:

[DCC] will work with Government and local Government networks, to make sure the COP26 text is translated into meaningful local and national programmes to reduce carbon which are supported by agreed and sufficient funding by Government.

## **Divestment of Fossil Fuels**

DCC has received numerous communications from Devon residents (including this Division) asking County to divest its pension fund stakes immediately. Regrettably, the administration has voted this down and for now, the various pension funds will continue to profit from fossil fuels. There is a commitment not to make new investments, but I know many residents will be extremely concerned. I will continue to vote against the status quo when I can.

## **Road Sweeping to alleviate flooding**

Happy to have supported this project to the tune of £500. Hopefully, the money should now be with the PC.
